

Park Plaza

 **LED A**

Park Plaza

An outstanding contemporary transitional series, offering bold, sophisticated luxury, flexible in size and shape, and complemented with iridescent primavera veneers and scalloped design details.

The concept emerged from designer David Daniel's all-time favorite French Moderne era, 1930-45 post Deco, with Gilbert Poillera serving as the main inspiration. It's a heritage look, a cross-over between traditional and contemporary, but the essence is cutting edge. Call it Nouveau Deco, if you like. Park Plaza is sexy, approachable, a fully urban aesthetic, and just right for the Affluent Boomer!

Each magnificent piece is hand rubbed in a deep "Port" finish, with a rich yet subtle sheen.

The collection is available for dining room, bedroom and occasional pieces, including home office.

Two dining table options are available: A 50" square table with an extraordinary combination checkerboard reverse diamond top with a scalloped pedestal base and a 54" round table with sunburst top. The floating hutch allows imaginative combinations of single or double presentations with its matching buffet or as another option, with its server.

Two bedroom choices are available with the platform bed and a leather panel bed. And for fun at work, fall in love with the Oval Desk, a superb visual display suitable in either an executive office or home office environment.

This magnificent contemporary collection in a sense is somewhat transitional as it touches the influences of Art Deco offering bold, sophisticated luxury while its clean lines, brushed pewter hardware and scaled proportions provide a strong architectural presence of elegance and high drama.

Wood Finish:

Leda Furniture maintains strict finishing requirements. Talented craftsmen take extreme pride in the art of finishing, including staining, padding, rubbing and highlighting - all by hand. We are very careful to formulate and apply each finish to exacting standards. However color variations will occur because natural woods vary in their reaction to finishing materials due to age, grain pattern and raw wood tone. The finish shown is reproduced as accurately as printing techniques permit.

Caring for Park Plaza

Wood Finish:

Leda finishes are resistant to most everyday hazards, however some precautions are necessary to maintain the beauty of your furniture.

- regular dusting with a soft clean cloth, slightly moistened with water. Dry completely with a separate dry cloth, always rubbing with the grain pattern.
- avoid contact with harsh solvents, ie. hot dishes, nail polish, alcohol and moisture.
- clean spills immediately.
- use pads when displaying accessories and heated items on table and cabinet
- do not place furniture tops near heating outlets, windows or direct sunlight.

Decorative Hardware:

- clean with a soft damp cloth.
- avoid using harsh detergents or polish on the hardware.

These practices will help your Leda Furniture maintain its beauty and elegance for years to come.

Statement of Quality

Leda has manufactured furniture since the late 1960's, utilizing state of the art technology, skills and craftsmanship. Each piece is made to exacting standards and of the highest quality materials available. All pieces are inspected at numerous intervals during the manufacturing process, including a final inspection prior to packaging.

Despite our best efforts some imperfections may occur once the furniture has had time to settle after the manufacturing process. These situations may require repairs and/or part replacements

Leda Furniture selects glass and mirrors of the highest quality to complement the furniture. However the very best glass and mirrors may have certain characteristics that are inherent in the glass making process, these include faint scratches, air bubbles and pitted areas. These minor allowable marks do not detract from the beauty and integrity of the product.

Leda Furniture Ltd stands behind its product in regard to manufacturing related issues (materials, workmanship) for a period of one year from date of shipment from our factory.

Note to Retailers:

All furniture photographed are available to qualified Leda Furniture retailers. Possession of this catalog does not necessarily constitute authority to purchase, nor does the furnishing of this catalog constitute an offer by Leda to sell any or all of the items contained herein.

All photography, illustrations and specifications in this catalog represent the most current product information available at time of printing. All information, product design and product availability is subject to change without notice.
